SKYHAWKS CHEERLEADING *teaches the essential skills to lead crowds and support the home team! There is no stunting in this entry-level program; just a big focus on fun while each cheerleader learns proper hand & body movements and jumping techniques. Children in these high-energy classes learn far more than just core cheer concepts and techniques; they also explore their personal expression, agility, rhythm, and teamwork. At the conclusion of the program, our young athletes will end it with a choreographed performance.*
