“Eastern Coyotes of New Jersey”

Proudly sponsored by
the Englewood Health Department and Flat Rock Brook Nature Center

Date:

Wednesday, January 7 at 7:30PM
(Light refreshments will be served)

Location:

Flat Rock Brook Nature Center
443 Van Nostrand Avenue
Englewood, NJ 07631

*This event is free of charge
and open to the public!*

Onsite and street parking available.

Please join us as Anthony McBride, Principal Biologist with the New Jersey Division of Fish and Wildlife, discusses where coyotes come from, their natural history, and their habits and habitat. He will also address the problems coyotes can potentially cause and ways that people can help prevent conflicts with these animals.
