

Dear Englewood Cliffs and Neighbors,

As stewards of our environment, our Borough continues to keep Englewood Cliffs clean and green. Thank you for leading by example. I especially thank our DPW workers who make the recycling program such a great success. They are out on our streets in all types of weather. Please thank them whenever you can.

Through December 31, 2022, our Borough recycled the following:

- Corrugated: 313.84 tons
- Paper: 466.73 tons
- Co-mingled plastic and glass: 301.76 tons
- White goods: 13.15 tons

Not only is our recycling program a success, but it does not cost residents anything other than an extra walk to the curb.

Please keep this calendar as it contains all of our pick-up dates. The information is also on the Borough's website if you decide to recycle this calendar.

Best wishes to all for 2023!

Mayor Mario M. Kranjac

A few notes from the Department of Public Works...

- Please visit the County Website at www.bcva.org for all information related to county Household Hazardous Waste drop off sites and schedules. Disposal of material such as paint cans, Computer/E-Waste, Tire Recycling, Paper Shredding Events, etc. will be collected through the county's schedule and drop off sites.
- All bulk trash will be picked up by the Department of Public Works. Once the material is placed at the curb, please call it in to the office (201)568-0242 so the pickup can be scheduled. All material called in after 10 AM on Friday will be scheduled for the following week. Regular household garbage does remain with the regular schedule.
- Please respect all stormwater inlets and catch basins. All unwanted debris and foreign material should always be kept out of stormwater facilities.
- In the event of any emergency, always call 911!!!!
