

Dear Residents,

It is up to all of us to improve our environment and keep Englewood Cliffs clean and green. We should be doing our part for a sustainable community. I want to thank our DPW workers who take care of our recycling program which has been a great success. Though the market changes and some products do not produce the income they used to, it is still very important to maintain our recycling efforts.

Please remember that if you need to have bulk items picked up, please call the DPW office as soon as the items have been placed at the curb. Be respectful of your neighbors and don't put things out for the weekend or holidays.

Please keep this calendar as it contains all of the pickup dates for recycling, garbage, vegetation and leaves. It is also on the Borough's website if you should misplace it.

Best wishes to all for 2024!

Mayor Mark Park
