Dear Neighbors,

As stewards of our environment, our Borough continues to keep New Jersey clean and green. Thank you for leading by example. I especially thank our DPW workers who make the recycling program such a great success. They are out on our streets in all types of weather. Please slow down and thank them whenever you can.

Through December 31, 2016, our Borough has received \$12,046.16 from our recycling program and we have recycled the following:

Cardboard - 143.73 Tons
Paper - 246.53 Tons
Commingled Plastic and Glass - 201.63 Tons

Not only is our recycling program a success, but it does not cost residents anything other than an extra walk to the curb. Below are a few recycling facts:

- Every three months, Americans throw enough aluminum in the landfills to build our nation's entire commercial air fleet.
- The average person has the opportunity to recycle more than 25,000 cans in a lifetime.
- Recycling a single aluminum can saves enough energy to power a TV for three hours.

Please keep this calendar as it contains all of our pick-up dates. The information is also on the Borough's website if you decide to recycle this calendar.

Best wishes to all for 2017!
Mayor Mario M. Kranjac
