Dear Neighbors,

Thanks to the work of the Department of Public Works employees (in all types of weather), we have a great recycling program that also generates funds for the Borough. Not only do we pick up from residences, but we also pick up from our local schools and commercial properties. By recycling, we keep sanitation costs down for residents. Our goal is to continue reducing the amount of waste going into landfills, so please help us make 2021 a better year for the environment!

Total tonnage recycled for Englewood Cliffs during 2019, including commercial properties is:

Corrugated: 365.44
Paper: 388.96
Co-mingled: 243.95
White goods: 16.6

Thank you to our DPW staff who make the recycling program such a great success every year. Please keep this calendar as it contains all important dates. The information is also on the Borough's website if you decide to recycle this calendar.

Happy Holidays and Best Wishes for the New Year.

Mayor Mario M. Kranjac
