Happy Birthday to our September Babies. Birthstone: Sapphire

The **September birthstone**, sapphire, was once thought to guard against evil and poisoning. It was believed that a venomous snake would die if placed in a vessel made of sapphire. Traditionally a favorite stone of priests and kings, the sapphire symbolizes purity and wisdom.

Again, please submit your email address and cell phone number to the board for emergencies. This will not be for distribution but for club issues. We have had mix-ups with car pools at times and sometimes it would be helpful to send an e-mail to members about club business. The information would be kept by the board only.

We would like to have the cell phone number for each person. This is very important in emergency situations or trips.

Volunteers are requested for Sept 12th meeting at 1:00PM to assist with the setup for the meeting. Pitch in and help your club.

Your board and especially Giovanna works very hard to plan activities for the members. Please support our activities. They are created for you to be able to get out and see friends and have a nice day.

If you have any suggestions, please let us know.
