

BOROUGH OF ENGLEWOOD CLIFFS

482 HUDSON TERRACE • ENGLEWOOD CLIFFS, NJ. 07632

OFFICE OF EMERGENCY MANAGEMENT

Lieutenant James Tracy – OEM Coordinator

Mark Park, Mayor

Intashan Chowdhury, MPA - Administrator

Sgt. D. Salogiannis, Dep Coordinator

William Henkelman, Chief of Police

Andrew Nikow, Fire Chief

Dear Resident,

On behalf of Mayor Mark Park, Technology Committee Chair Councilman Koutroubas, and the Municipal Council, we are pleased to announce that **myECliffs**, the Borough's official mobile app as well the new community and emergency notification platform is now live.

This new platform offers a robust, intuitive, and user-friendly experience designed to improve how we communicate with residents. The myECliffs app allows the Borough to share important information more efficiently, keep residents better informed, and strengthen the connection between the community and local government. This modernization ensures you never miss critical updates, emergency alerts, or community news.

Similar to our previous notification system, residents may choose as many—or as few—notification categories as they wish and may update their preferences at any time. Currently, notifications are available in the following categories:

- Community Events
- Traffic Alerts
- Weather Alerts
- OEM – Life Safety
- Messages from the Mayor

Download MyECliffs

- Access Information
- View Latest Alerts
- Receive Notifications
- And more...

Powered by GOGov

The graphic displays a smartphone screen with the myECliffs app interface. The app shows a notification banner for 'Englewood Cliffs' with a photo of a cliffside. Below the banner is a list of menu items: Notification, Mayor and Council, Agenda & Minutes, Pay Taxes, Forms & Document Portal, Municipal Code, Mayor and Council Meetings on Youtube, and Chat with AI. A QR code is positioned to the left of the phone, and the text 'Powered by GOGov' is at the bottom.

As part of this upgrade, the Borough will **discontinue use of Nixle effective February 1, 2026.**

We strongly encourage all residents to sign up for myECliffs. The app is available for free on both the Apple App Store and Google Play Store. Simply search for “**myECliffs**” and look for the official Borough logo.

Residents may also receive notifications without downloading the app by:

- Texting **JOIN** to **(201) 500-3003**
- Calling **(201) 500-3003** to opt in
- Subscribing online at:
<https://app.govoutreach.com/englewoodcliffsboro/public/communications/subscribe>
- Scanning QR Code
