

BOROUGH OF ENGLEWOOD CLIFFS

482 HUDSON TERRACE • ENGLEWOOD CLIFFS, NJ. 07632

OFFICE OF EMERGENCY MANAGEMENT

Lieutenant James Tracy - Deputy Coordinator

******* SIGN UP for OEM ALERTS! *******

I hope this letter finds you well and 2025 is off to a great start for you and your families. With the support of Mayor Park and the Borough Council, the Office of Emergency Management (OEM) is happy to announce a new initiative which will streamline our Emergency Alerting capabilities.

This new alerting system uses email and text messaging to send alerts. Unlike the older legacy systems, the new platform can send alerts to hundreds of residents per minute, so you get important information when you need it most.

Having your latest contact information is the only way to ensure that we can contact you! Please scan the QR code above and sign up! You can subscribe to weather alerts, traffic alerts, community info alerts, or life safety/emergency alerts. You also decide how we will notify you. You can provide an email address or a cell number if you prefer a text*...or both. The entire registration process takes less than 5 minutes.

If you have any questions regarding the new notification system or the registration process, please contact James Tracy at jtracy@ecpolice.org.

Thank you in advance for participating in this important program!

Stay safe and stay prepared!

Sincerely,

James Tracy
Deputy Coordinator, OEM

ECOEM Respects Your Privacy!!

*ECOEM will never share or distribute your personal information. ECOEM will never use your information for any purpose other than to send emergency notifications. *Message and data rates may apply for text messages.*
